

ANTONY GORMLEY

KUNISAKI ART FESTIVAL, JAPAN, 2014

04 October - 30 November 2014

Antony Gormley's ANOTHER TIME XX (2013) was a part of the Kunisaki Art Festival. This was the third permanent work commissioned by Kunisaki Art Project after Yoko Ono and Jeong-Hwa Cho and was installed in the hillsides of Sento, Japan, a natural wilderness which has long been a site for Buddhist contemplation.
